

# INNLocal - Innovation in and through Local Governments

## Conference

17 to 19 September 2024 in Bremen

## Call for Papers

INNLocal will co-design training and capability-building programs and continuously redesign local public services using mission-oriented innovation, digital-based solutions, and future-oriented methodologies. The aim is to create valuable and practical solutions that can adapt to the ever-changing needs of civil society while also establishing new local public policies to address complex challenges. Follow us at <https://innlocal.eu/>

The conference will have a paper session on on the 18th September 2024, the following topics are open to submission, in English:

- Environmental sustainability through local authorities
- Citizenship participation
- Best and new practices on diversity and inclusion by local authorities
- Transformation and change management in local authorities.

Those interested should please submit a title and a 250-500 word **abstract** <https://www.surveymonkey.com/r/LYQ3Y9F> by 15 August 2024.

We are looking forward to receiving your contributions!

The City University of Applied Sciences Bremen will host the hybrid conference in the House of Science, Bremen.

Papers will be published in a conference volume and are expected by 30<sup>th</sup> November 2024.
